📊 KEY STATISTICS TO MEMORIZE

****Problem Statement (Status Quo):****

- \$5.2 billion annual housing subsidy spending (yields zero permanent housing)
- 17-27 percentage point homeownership racial gap
- 60% of subsidized tenants spend >50% of income on rent
- 8,500-12,000 housing court filings monthly

****Solution (TCAP):****

- Redirect \$75M/year subsidy to cooperative equity investment
- 250-300 buildings converted over 10 years
- 38,000-50,000 households in permanent ownership
- \$32,000 wealth per household over 10 years

****Impact (10-Year):****

- \$3.75 billion subsidy cost reduction (vs. status quo)
- \$1.24 billion member wealth created
- 65,000+ evictions prevented
- 4-6 pp homeownership gap closure
- 6.2:1 return on investment

****Precedent:****

- DC TOPA: 42 years, 25,000 households
- SF COPA: 30 years, 100 buildings
- Swiss Cooperatives: 150 years, 800K households
